Title: Accounting Problems, Book I

Authors: Shih Jen-fu (施仁夫) and T'ang Wen-jui (唐文瑞)

Publisher: Li-hsin Kuai-chi Yung-pin-she, Shanghai, 1951 (10th edition)

Sponsor or

Issuing Authority: None indicated

No Pages: 662

Language: Chinese

Area of Coverage: China

Subjects Covered: Problems on opening entries, types of accounts, the work sheet, distribution of profit and loss, reorganization of business enterprises

Review: Book I contains 130 problems on various phases of accounting for businesses in China. The first edition appeared in 1936. The subject matter is very similar to that in American accounting books.
